

Meadow Wood Herald

Friday 22nd April 2016

School News

Over the holidays we have had our Tech room converted into a music room-which is a flexible space where we can hold meetings and coffee mornings. All classes are timetabled for music and art. Art is taught in the large central space we call the PEAR room. Swimming will be up and running again from Monday 25th April and we are continuing to recruit a specialist teaching assistant to lead on our physical activities. We have a new teaching assistant start this week in Field Mice. Her name is Hazel and she has enjoyed her first week at Meadow Wood.

Head Teacher

Welcome back to school after the Easter break. We hope you all had a safe and happy break. We have an exciting term ahead with an exciting curriculum week about Carnival, sports day and our zoo visit. We are still waiting for confirmation of the date of the Whipsnade Zoo visit but we will keep you updated. Further details will follow about the term events—remember to also check our school website for further details.

Rabbits

Rabbits class have been thinking about all the changes that are happening with spring. We have tadpoles growing up and we have found lots of leaves just starting to grow. Our colour of the week is green and we have been looking in the garden for things that are green.

Field Mice

This week in Field Mice we have started looking at our new book, The Whale and the Snail. We have already been on a mini beast hunt and found a snail. We enjoyed looking at him moving about. Sadly, we could not find a whale in the school garden

Stars of The Week Week Ending 01/04/2016

Class 1
Millie

Class 2
Byron

Class 3
Miles

Class 4
Destiny

Ladybirds

This week Ladybirds have been taking the opportunity to enjoy the clear weather and have spent time playing games in the garden. Ava chose to pass balls to Vrinny and the other children chose friends in the class to work with.

Owls

This weeks owls class have been looking at their new topic "Our World." We looked at our book "Handa's Surprise" and explored lots of objects relating to Kenya.

Notices

THIS WEEK WE HAVE INTRODUCED **FOREST SCHOOLS** INTO OUR CURRICULUM. THE LEADER IS CALLED POPPY AND THE CHILDREN ENJOYED A RANGE OF ACTIVITIES OUTSIDE IN OUR AMAZING SCHOOL GROUNDS.
