

# Meadow Wood Herald

Friday 29th January 2016

## Meadow Wood News

This week we finally began our Rebound Therapy. It was very exciting to the trampoline out in the hall and the children's anticipation as they experienced the feeling of movement. We run Rebound Therapy twice a week—on Tuesdays and Friday mornings. We plan to ensure all children it is appropriate for will access Rebound Therapy over the next two terms.

## Head Teacher

Marlene Rhodes is a parent of one of our pupils at Meadow Wood School and is currently working for us as a fundraising officer. Marlene has lots of ideas and is already making connections with a range of charities and businesses in Watford. We have already received a number of donations from ASDA supermarket. If anyone has any fundraising ideas please do contact Marlene on her email: [marlenerhodes@meadowwood.herts.sch.uk](mailto:marlenerhodes@meadowwood.herts.sch.uk)

## Rabbits

Thanks to all the parents who came to our open morning on Monday. It was lovely to see so many of you and the children really enjoyed sharing their morning with you. We have been concentrating on naming our body parts (some more) and now we are thinking about goldilocks and the three bears.

## Field Mice

This week in Field Mice, we all took part in an obstacle course, which represented Pinocchio's journey through "Playland". We had to direct our friends through each obstacle and listen carefully as they directed is too.

## Stars of The Week Week Ending 22/01/2016

## Ladybirds

This week in Ladybirds we have enjoyed making some bird feeders as well as some mobiles to decorate our outdoor space. On Wednesday, Ladybirds really enjoyed participating in the very thought provoking assembly by Field mice. The class asked us to listen to some music. Ladybirds were very relaxed as they listened so we would judge that it was calming music. Later we had to find 4 different animals and think about how Meadow Wood would be if all the classes were not working together.

Thank you for making us think Field mice.

## Owls

This week in Owls Class, we have created our own stories based on characters from Toy Story . We chose where they went in school , what they saw, what they heard, what happened and who was going to going to save them

## Notices

We now have a smart television in the foyer where we will share information about the school, important notices and videos of pupils learning
